Types of cookies

Essential cookies

These cookies guarantee the proper functioning of the website, enhance user experience, and collect information on the use of the website without identifying the visitors.

This includes storing calculator use values, the status of cookie acceptance, remembering login modes and data, the status of website notification messages and the reduced functionality Google Analytics code, among others.

Please remember that without these cookies we are unable to guarantee the best user experience on our website.

Analytical cookies

With the aim of developing our website and improving user experience, we also use cookies that enable us to collect information on how visitors use our website. These cookies are unable to identify you personally; they merely gather information such as the page that our visitor looked at, which part of the website the user clicked on, how many pages they opened, how long each session lasted and what the error messages were, if any.

Such performance cookies include Google Analytics cookies. Please [click here](#) for more information on Google Analytics cookies.

Targeting and advertising cookies

The aim of these cookies is to allow us to ensure that our website displays advertisements that are interesting or relevant to you. These cookies are unable to identify you personally; they merely gather information such as the page that our visitor looked at, which part of the website the user clicked on, how many pages they opened—all this with the aim of finding out what content you are most interested in.

If you have granted your prior consent, we may use the information gathered while tracking your use of the website together with your personal data in order to enable us to tailor our marketing communication to your needs and point out offers that are interesting and relevant to you.
